

Lab 3- Tableau

Name: eamonn kelly

Student number = D24127620

Email address = D24127620@myTUDublin.ie

Date = 5th Oct 2026

The following is my submission for Lab 3 – Tableau

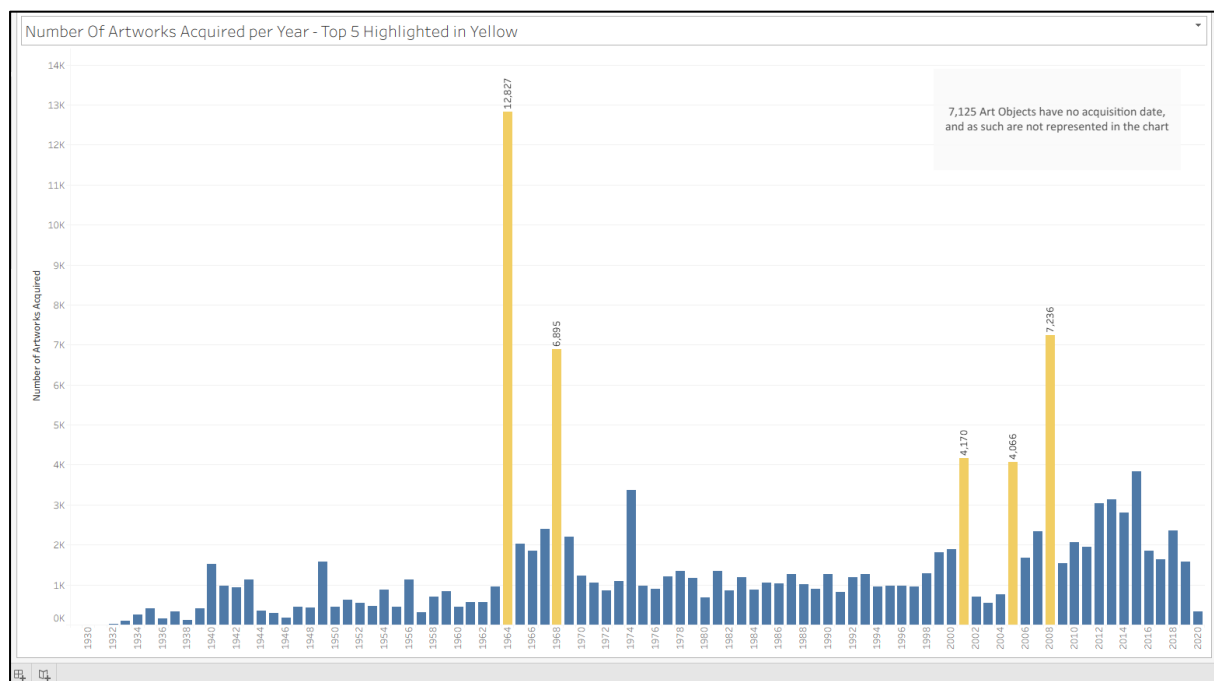

Q1. What years did the museum acquire (buy or via donations) the most art?

Answer:

Screenshot:

- We used “Date Acquired” field to account for when an art work was acquired regardless of how the acquisition took place.

Q2. Can you identify why there was such an increase in art pieces acquired during these years?

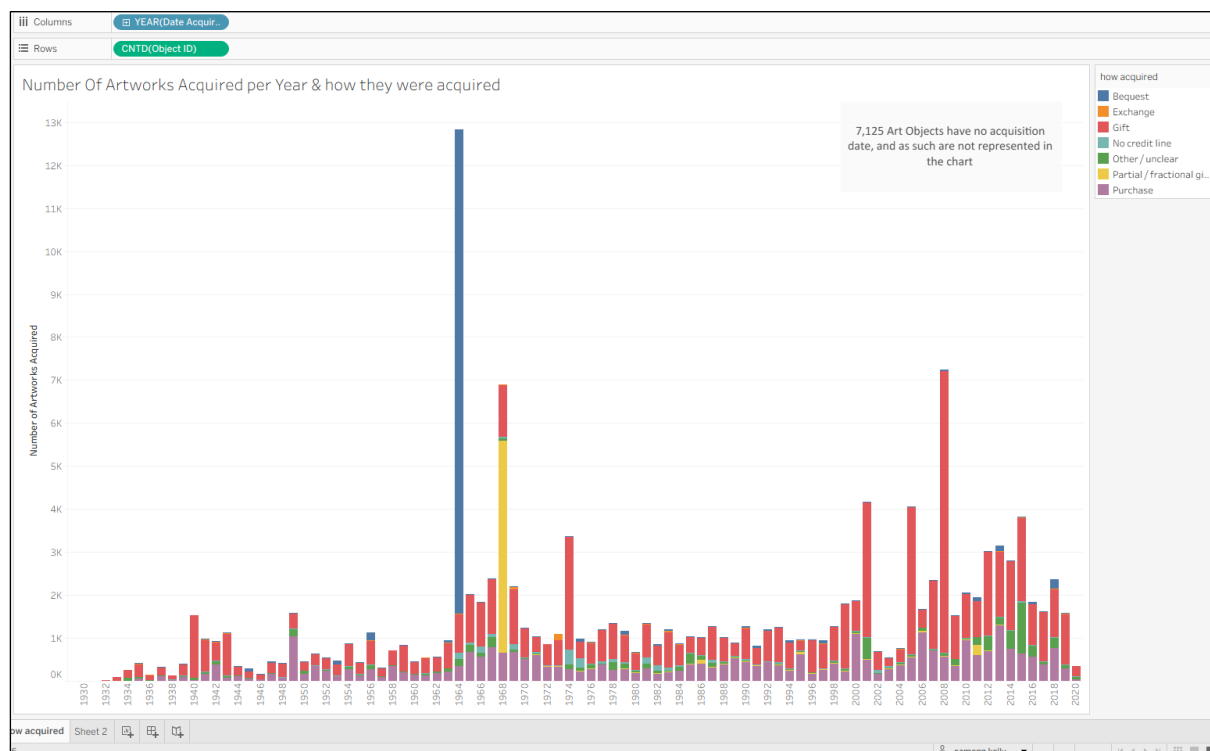

Answer

A significant increase in bequests and gifts in those years accounted for the increase in art object acquisition.

Screenshot:

- The increase in the years where there as a significant increase in number of artworks acquired can be accounted for by a significant increase in bequests and gifts in those years.

Q3. What department has the most artwork?

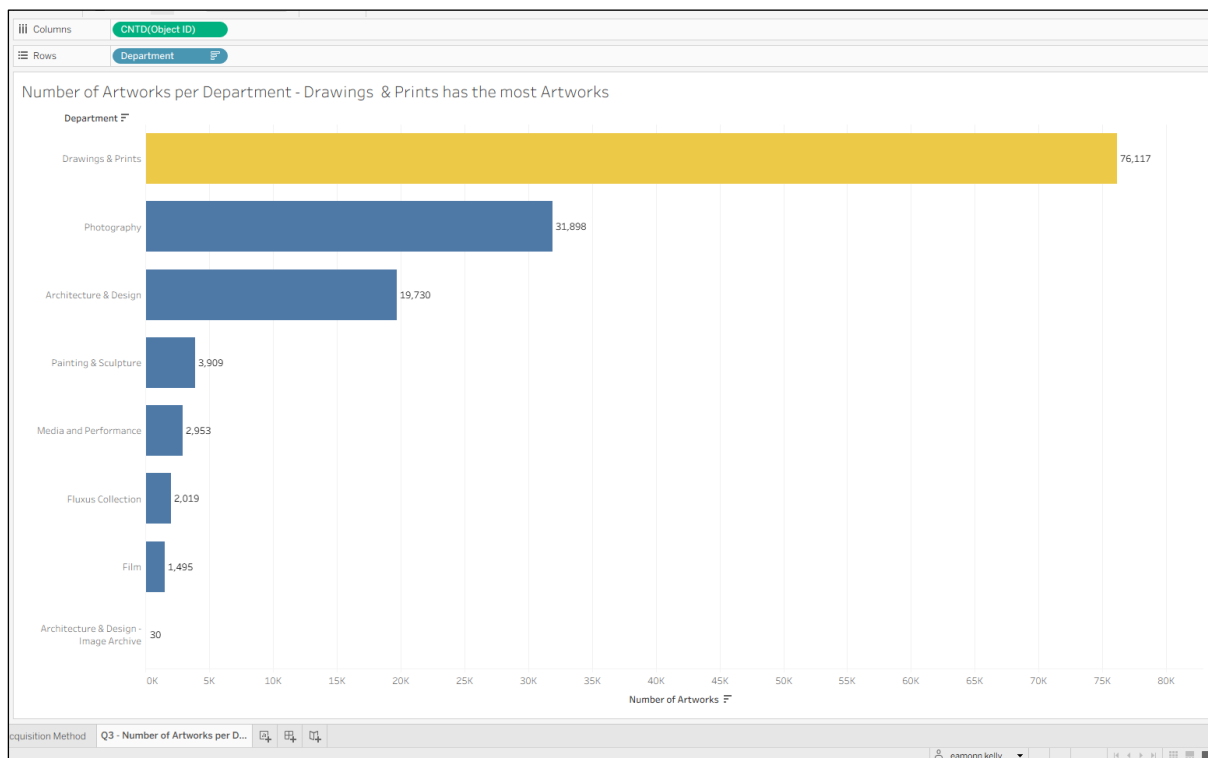

Answer

The Drawings & Prints Department has the most Artworks.
